Commissioner for Patents

The reply filed on 7/30/03 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): this amendment attempts to cancel all pending claims (i.e. claims 7-9). An amendment which cancels all pending claims is generally not entered by the office into the application since entry of such an amendment would effectively result in abandonment of the application. *See the Manual of Patent Examining Procedure (MPEP) 711.01 and 714.19(H).*

Accordingly, the reply filed 7/30/03 has not been entered.

Questions concerning this procedure may be directed to the Patent Assistance Center at 1-800-786-9199.

See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. **EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).**

The request for constructive assistance in drafting an allowable claim has been noted. However, the examiner cannot readily discern allowable subject matter or an allowable combination in the instant disclosure. Questions concerning possible responses or courses of action by applicant may also be directed to the patent assistance center listed above.
